Dear Ms. O'Donnell:

Case No. 2005-00299

On July 14, 2005 an application of Warren County Water District for a Certificate of Convenience and Necessity, for authority to issue certain securities and for approval of water rates and charges was sent to be filed with the Public Service Commission. After further reviewing Exhibit F, Notice of Proposed Rate Adjustment published on July 14, 2005 in the Daily News, it was discovered that the publisher made a typographical error related to rates being subject to a 10 percent penalty if paid after due date.

The Daily News has recognized their error and are going to republish the notice. We will send you a corrected Exhibit F for the record when received from the Daily News. We are enclosing acknowledgement from the Daily News of their error.

Sincerely,

Joe Liles
